Dear Sirs / Madam
Greetings of the day!!!!

RTM of LIC dt 20/03/2023 and of AI dt 07/07/2023, it is requested to review the issue once again since the proposal to migrate disbursement of annuity through respective cities, in general, is beneficial for all stake holders including LIC and AI, beside retirees

Dear AIARPA,

All the request regarding decentralisation of policy from LIC Delhi office to Local Office, was being sent LIC for action on their part.

Since LIC has not been allowing migration of the policies to the Local Offices, the conclusion is not happening.

Email to this effect is attached for your consideration.

Thank You & Best Regards,

Dear Sir,

Many Of the retirees wish to get the disbursement of tge annuity amont FROM LIC local branch of their respective place of stay .

An attached email dated 18/03/2022 and other mail appended of LIC attached says that Trustees of Air India have to agree to it in general and not of an individual case

You may therefore please process the approval of the trustees in general to decentralise the disbursement of anutiy of retirees on Voluntary basis.
